Mary Penrose Wayne Chapter

of the

Daughters of the American Revolution

Fort Wayne, Indiana

The Death of Mrs Sue Vesta Hanna occured on the 7th of April 1928 at her home at Hanna's Ford, Fort Wayne, Ind. Mrs Hanna was compiling this Genealogy at time of her death and some of the lines are not completeed, I have collected what I could find and bound them in this book trusting some of the Family Descendants will pick up and cary on the work. Scraps and notes of most of the lines will be found in the scrap Book belonging to this collect ion.

Also an almost complete Genealogy of the Hannah Family.

Mrs Hannah was at time of her Death the Chairman on Genealogical Research for Mary Penrose Wayne Chapter D.A.R. and had just proved up nine Revolutionary Soldiers Graves in Fort Wayne which the Chapter will mark some time this Spring. it is with regret Mrs Hanna could not live to see her work commemorated, the Children of the C.A.R. will provide the Flag pole to be placed near this marker and Mr Hanna will donate a Flag to be used A wish expressed by Mrs Hanna.

ORIGIN OF THE NAME AND HISTORY OF THREE GENERATIONS OF TOUSLEYS IN THE UNITED STATES.

Though the original Tousley families in the United States came from Wales, the name was probably of Norman French derivation, domiciled in Wales in the 11th or 12th century, after the conquest of England and Wales by the Normans under William the Conqueror, where by intermarriage with the Welsh people for several centuries the stock became principally of Wwlesh blood.

The names of Tousey, Touzalin and Towslee are similar and of direct Norman French origin; while Tousley is the original name of the Welsh stock, and Towsley a change of the orthography of the name of that part of the New York Branch of the Tousley family that has extended its settlement to and over the line of Pennsylvania.

Royal and Omar Towslee, born in Vermont, living at Kenosha, Wis., say there is a tradition in their family that several generations ago, on account of a marriage and conditional legacy in France, the family name was changed from Tousley to Towslee, and remember that an eccentric uncle re-assumed the original family name, and, during his entire life, always signed his name Tousley; so doubtless the Vermont Tousleys and Towslees scattered through the northwest are from the same original stock, and it is not known whether the descendants of the original Tousley settled in Vermont or the nephew that moved there from Connecticutt that changed their name to Towslee.

The New York Tousleys were vary prolific in male descemdemts, and while there is the only eastern state in which the family name still lingers there are a number of them out west.

The Tousleys that remained in Connecticutt were the least prolific of any in male descendents; but their progeny and connections under various names are scattered through Ohio, Illinois, Wisconsin, Minnesota, Iowa, Nebraska, Missouri, Kansas and western territories.

FIRST GENERATIONS IN AMERICA.

Three brothers, Mathew, Robert and William Tousley, born in Wales(said to have married English wives) moved together to the United States in a very early part of the last century. It is probable that all first came to Connecticutt; atbleast Mathew came and settled there while Robert eventually settled in Vermont, and William at a later day went west to the state of New Y ork. Of sons to perpetuate the family name Mathew had but two, and but one of them remained in Connecticutt; while Robert had a greater number and William a more numerous progeny than either of the others. This history and record is, however, intended to follow only the Connecticutt branch of the family.

CONNECTICUTT BRANCH 3d GENERATION.

Mathew Tousley (1st generation) lived in Suffolk, Connecticutt and had two sons, Mathew Jr. and William. The latter moved to the

vicinity of his uncle Robert in Vermont and there raised a family of ten sons and one daughter; but having no further record of him, and being out of the line intended to be traced, no further history of him need ne attempted.

Mathew Tousley, Jr. (2d generation) was born in Suffolk, Connecticutt about the year 17381 was siad to be short of stature, a Federalist in politics, was married to Martha Wright, daughter of Capt. Samuel Wright, by whom he had two sons and seven daughters. The sons were Robert and Rueben; the daughters, Huldah, Clara. Sally, Betsy, Patsy and two tohers whose names are not remembered. Though Mathew Tousley lived contemporaneous with the revolutionary war , being about 38 when it commenced, did not serve in it. Being of Welsh stock with inborn loyal impulse toward the English crown and son-in-law of a man who had served under royal commission in the French and Indian wars, he took no active part on either side during the great struggle. He died of bilious colic about 1798 (when Reuben was 30 years old) at the age of 60 years.

(Here follows a story of Capt. Samuel Wright and his experience in the French and Indian wars)

THIRD GENERATION AND CONNECTIONS.

Of the daughter of Mathew Tousley Jr. and Martha, of the second generation, but little is known but that Huldah married Morris Barker, Clara married a man named Sillick and lived in Newark, N. J., where she died, that Sally marrie d John Bailey, that Betsy married Hugh Montgomery, a Scotchman, and settled near Salisbury and had several children (onf of whom was John Montgomery the celebrated iron founder of Salisbury) finally removed to Great Barrington, Mass. where thay remained and died. Patsy married John Lotze, an ex-officer of the Hessian army, who settled in Connecticutt after Burgoynes surremder, and lived "on his money" with their only daughter Julia, who married John G. Mitchell of Lakewood. The only children of John and Julia Mitchell wre John Jr. and Robert B. Another of the daughters of Mathew Jr. and Martha Tousley married John Pinkerton, and they lived and died near Salisbury mountain and all facts regarding the other daughter are lost to this record. Of the sons, more is known. Robert lived with his parents at Suffield, Conn., until the end of his minority, then went back to visit his sister, Clara Sillick, at Newark, N.J. and died there of measels at the age of 21.

REUBEN TOUSLEY, the only fruitful son of Mathew Jr. amd Martha Tousley, born at Suffield, Conn., May 5th, 1768, had medium complexion, dark blue eyes, dark curling hair and side whiskers, high forehead, projecting brows and a delicate cast of Roman features; was under medium size and weight, extraordinary supple and active and retained hos dark hair till the day of his death. He was married to Mary Green, daughter of Samuel and Anne Green of Canaan, Conn., Nov. 19, 1807, she being 20 years of age, and had by her nine children, five sons and four daughters as follows: Sally Ann, Robert Stansfield, William Clark, Mathew Monson, Henry Green, Susan Maria, Betsey, Hanna, and Miron Graham. He was a farmer, toll gate keeper and during the latter part of his residence in Connecticutt, was interested in the Davis iron mines of Salisbury. He lived in and near Salisbury ubtil October 1835 when he moved to Norton, now Summit

county, Ohio and died there of disentary onnAug. 30, 1836, aged 63 years and was buried in the Town Line Cemetery.

(Here follows a story of his wife Mary Tousley who was a descendent of Samuel Green, a drummer in the revolutionary war).

The history then follows the family of Henry G. Tousleywho was born in Salisbury, Litchfield county, Conn., April 26, 1816. He was married to Eliza Ann Beckwith in Newark, Ohio May 20th, 1840 and had by her four sons, Wilbur Hervey, and William Henry, twins, William Ferdinand and Charles Beckwith.

THE TOUSLEY-TOWSLEY GENEALOGY

(To the reader)

It seems to me I have spent the greater part of my life in working on the solution of the Tousley-Towsley problems. I have gathered a little here-a little there-, have found much to treasure and much to discard; Every branch seemed to have different traditions; some well founded, others utterly erroneous; some still prefer clinging to their familiar though false traditions although I have employed the assistance of well-known genealogists; have had the records searched and census read in my endeavor to verify these facts, and am satisfied that this is as true a history as will ever be compiled of at least my own line of the Tousley-Towsley family, and I have also given enough of some other lines to show the descendants where some of their errors occur.

I hereby attest this written document, signed

MICHAEL TOWSLEY. (according to Savage, the historian) Salisbury, Mass., married Mary Hussey in 1678.
He was in the French and Indian War. They had a daughter Mary born March 17, 1679 who died soon. A second daughter of the same name was born January 12, 1681.
Michael is said to have removed to Suffield, Conn., in 1680. He evidently settled there between the dates of birth of his daughters, Mary and Anne,-see family record.
The children of Michael (1) Tousley and Mary (Hussey) Tousley, his wife, married 1678, were:
2- Mary born March 17, 1679, died young, Salisbury. Mass.
3- Mary born January 12, 1681, died Nov. 12, 1694, Suffield, Conn.
4- Anne born July 12, 1683, Suffield, Conn.
5 Michael born January 14, 1684, Suffield, Conn.
6- Margaret born July 11, 1687, Suffield, Conn.
7- Matthew born November 18, 1690, Suffield, Conn.
8- John born September 17, 1694, Suffield, Conn.
9- Nathaniel born February 3, 1696, Suffield, Conn.
(A Nathaniel born previously, died February 8, 1696 and the child born February 3, 1696 was named Nathaniel in his stead)
10-Joseph born February 3, 1696/7.
A Michael Tousley died November 3, 1712, Suffield records, A widow "mary Tousley" married Jonathan Winchell in March, 1713, Suffield Records.

TOUSLEY

1. MICHAEL TOUSLEY is said by Savage, the historian, to have been in Salisbury, Masss, and that he married Mary Hussey in 1678. They had a daughter, Mary, b. Mch. 17, 1679, who died soon. A second daughter of the same name was b. Jan.12, 1681. Michael is said to have been in the French and Indian War. He moved to Suffield, Conn. in 1680, or is said to have done done so, but the first recorded birth is that or Anne, in 1683, so that it looks more as if the family did not settle in Suffield until after the birth of Mary in 1681. This might be ascertained by consulting the Salisbury, Mass. records.

Michael d. Nov. 3, 1712, though whether this was the father or the son of the same name, who was b. in 1684, is not known to the writer. Further search of the Suffield records might show which one was meant. Michael's (1) may be in existence. But, as a "Widow Mary Tousley" married Jonathan Winshell in March, 1713 (Suffield Rec.), it looks a little as if it was Michael,1, who died in 1712. But, also, Michael,2nd, the son, was 29 years old at the time, and he might have been married to a Mary, might have left her a young widow, and she might have been the one to marry Jonathan Winchell.

(All from Suffield Records.)

18. WILLIAM TOUSLEY was born in Suffield, Conn., Feb. 5, 1731/2. He married at Suffield, Feb. 25, 1754, Sybble Spencer. As his childfen's births are recorded at Suffield, it is evident that he did not move to Rupert, Vt. until after that time. As far as the compiler of this record knows there is no positive evidence that he moved to Rupert, but he supposed to have done so and is doubtless the William who appears on the Vermont Revolutionary Rolls as having served in that war. As far as is known he is the only one of the name who was of suitable age to have been in service. His son William was but fourteen years of age when the War broke out in 1775.

Rupert, Vermont, was settled before 1780 but the earliest recorded deeds are of that date, the earlier ones having been destroyed or carried away by a Tory clerk. There are some deeds older by about twelve years which were brought in and recorded at a later date. Between 1780 and up to 1811 the names of David, William, Thomas, Hezekiah and Matthew Towsley appear either as grantor or grantee. Between 1811 and 1820 appear Elihu, Abijah and Samuel. No wife signed with a husband and there is no mention of relationship in any deed to help in a solution. The earliest deeds were <u>from</u> William Tousley, five of them, among them one to David and one to Thomas, doubtless his sons. The first <u>to</u> him is in 1799. He of course must have bought land on settling, but no record of it exists. The Towsleys settled in the eastern part of the town of Rupert, which was the part first settled, and which joins the first settled part of Dorset, but the major part of Rupert lies over the mountain to the west, adjoining New York state. This northeast corner of the town "on the other side of the mountain", was called the "East Parish" in the early days, and it was here that the major part of the Towsleys lived.+ A David Towsley, born in 1810, a son of David, 1773, and grandson of Nathaniel, b. 1850, lived in the West Parish. He married Laura Ann Norton, and his descendants live in that locality now. His father, David, is buried in North Rupert and did <u>not</u> come to Jefferson County. His wife's name was Olive Warters. Nathaniel was a 2nd cousin of William (18), his father, Gideon, being an own cousin of William(18). The family names are repeated in the various branches and has made it difficult to trace out the family lines. The Towsleys of the East Parish lived nearer the churches of Dorset, two miles (about) away from them and Pawlet, from six to eight miles away. The odd Congregational Church at Rupert was six or eight miles away <u>over the mountain</u>, and the roads were probably not of the best. The church and cemetery records of these two old churches yield very little of assistance, as they are not complete by any means.

The farms of theivarious members of the family adjoined and were probably in some cases deeded to the sons by their father, from the land which he first took up, but of which there is no record. There is no death record of William nor of his wife, Sybble. In the Census of 1790, the name William appears as of Dorset town, with himself, one male under sixteen years of age and wife (probably) and one daughteri.e., "one white male 16 and upward, one white male under 16 and 2 white females". This is <u>probably not</u> William (18), as his youngest known son, Thomas, was then 27 years of age. A William " of Rupert" also appears with the same family as the other William, but it is also likely that he is not the William (18) and it is more than likely that he and his wife were both deceased at this time. His children, whose births are recorded on the Suffield, Conn. records, are as follows:

Ch.:

19. Mary, b. Dec. 30, 1754, Suffield, Conn.
† 20. David, b. May 22, 1757 , " "
21. Hezekiah, b. May 1, 1759 " "
22. William, b. Aug. 4, 1761 " "
23. Thomas, b. Nov. 9, 1763 " "

20. DAVID TOWSLEY was born in Suffield, Conn.(Suffield Town Records) May 22, 1757. Of his early life little is known. He probably moved to Rupert, Vt. before the War of the Revolution, as his name appears on the Vermont Revolutionary Rolls as having been in service from that state, which would not seem likely if he had enlisted from Connecticut. There are no records of grants of lands before the Revolution but from 1780 on his name appears either as grantor or grantee. His name appear s on the Census of 1790 as "of Rupert", and as having in his family, himself, his wife, one son under sixteen and two daughters. This fits no other known David in Rupert. In 1800 census he has a family of 1 son"of 10 and under 16", 3 sons under 10, 2 daughters under 10, and ~~one~~ two daughtersof 16and under 26, and wife of 26 and under 45. He is listed as "of 45 and upwards" but according to his birth date of 1757, he was but 43 years of age at this time. However, he may not have known his age exactly. Sometime between 1800 and 1810 the family moved to the town of Ellisburgh, Jefferson County,N.Y. where they settled about Wardwell's Settlement, near Pierrepont Manor. At probably the same time there also came his brother Hezekiah, with his sons Thomas and Hezekiah,Jr.. They all appear as early grantors or grantees. Thomas may have come a little before the others as his first recorded purchase is Oct. 4th, 1807, but it more than likely that they came together, and the deeds showing purchases of land are not recorded. David sold property which he held, though the deed to it has not been found, to Icabod Towsley, who was probably his son. This is the "west part of Lot 25, 50 acres, one of the boundary stakes of which stood in "Mason's Brook". The name of David's wife does not appear in this deed. Her name was Abiah, as is shown in a deed dated Feb. 4, 1818, when they convey land in Ellisburg to Nathan Noyes. They also deed property in 1820, Jan.2nd. The family continually deeded property back and forth and to others outside of the family, in the locality of Wardwell's Settlement, some of which is owned by descendants to this day(1925).

The town records of the town of Ellisburgh show that David and Hezekiah Towsley were in the town in 1808, and Hezekiah's cattle mark is described. He was called "Captain" Towsley. In March 1810 the Town Meeting was held at the "school-house, near Hezekiah Towsley's." As far as could be found these were the only references to these men, who did not seem to take an active part in town affairs. That is, they held no offices.

In the Census of 1810 , David Towsley is shown to have been upwards of 45 years of age, his wife the same,

with one son between 16-26, 2 sons between 10-16, one daughter over 26 and one daughter under 10. These three sons are surmised to be Icabod, David and Jacob, but the names of the daughters have not been shown. There are some females by the name of Tousley who marry in this town, but whose daughters they were does not appear. According to vital records received from Vermont, a David Towsley had a son David who died Feb.23, 1789, but there is no record of birth. This, it is possible and probable, was the first son of David, but unfortunately the mother's name is not given. There is no other David Towsley who was having children at this date, but the David who later came to Jefferson County. Then follows the death record of another child, Icabod, who died Apr. 23, 1789. In May, 11th, 1789 another child is recorded which was named Icabod, and which was probably the Icabod who came with his parents to Jefferson County. He fits in with later data, as in 1820 Census he is recorded as "over 26", so that if he was born in 1789 he would have been 31 in 1820. He did not appear on the Census of 1810, but David, the supposed father,had a son between 16 and 26, which was probably this Icabod , who is 1810 would have been 21 years of age. In 1800 this David had 3 sons under 10, which were probably David, Jacob and one not known, who probably died before 1810, when David had but 2 sons between 10 and 16. It was not unusual for parents to name a child the same as a former child who had died, so that the fact or supposition rather, that David,Sr., did so, is not straining a point. No Icabod appears in any other Towsley family of Rupert,Vt. and vicinity.

In 1820 Icabod Towsley had in his family one male over 45 years of age, besides himself, he being 31 at the time, ~~which was possibly~~ and this older male may have been the father, David,Sr. This would bear out the family tradition that the father lived with his older son, to whom he had deeded some property for his care.

The above Icabod had in the census of 1820, a wife,(whose name was Nancy), the above older male, one daughter under ten and 2 farm hands. The only further data or notice of any of his family, or any clue, is the marriage in 1847 of an Icabod Towsley, in Brownville, N.Y., Jeff. Co., who was at the time 25 years of age. This would make him born in 1822, so that it is possible that he was the son of the first Icabod, and would not have, of course, appeared on the census of 1820.

There is no record of the death of David, Sr., nor of that of his wife nor have their graves been located. It is surmised that she died early in 1820.

On the presumption that the above children were really of the family of David, Sr., they may be given as follows:

24. daughter
25. Icabod, b. Rupert,Vt. May 11, 1789
26. Jacob, b.
27. David, b. ? Mch.4, 1794
28. daughter,

27. DAVID TOWSLEY,JR., was born March 4, 1794 at
He came, presumably with his parents, who are assumed to have been David and Abiah Towsley, to Jefferson county, New York, about 1807, and settled in the town of Ellisburgh, on the locality called Wardwell's Settlement.
In the War of 1812 both David and his brother Jacob were engaged. The following is their record, from the Adj.-General's office, Bureau of War Records, Albany, N.Y.: Jacob Tousley was in Captain Brooks Harrington's company, of Col. Clark Allen's regiment of New York militia, as a private, from July 29, 1814 to Aug. 21, 1814.
David Tousley was in the same company and regiment, as a musician, from Oct. 17, 1814 to Nov. 14, 1814.

David Tousley,Jr., appears first on record in the County Cler 's .ffice Mch.15, 1816, then being 22 years of age, when he bought a half acre of land at Wardwell's Settlement for $450.00, of Sala Sanford and wife. This was described as being Lot #5. and beginning at the n.e. corner of Thomas Tousley's land and running south on Thomas Tousley land 217 feet, etc. He sold this property to David Tousley,Sr., on March 17, 1817. He married at about this time, about 1818, Nancy Ann Noyes, daughter of Amos and Eunice Walsworth Noyes, and his brother Jacob married Huldah, a sister of Nancy's. She is said to have been a younger sister, so that probably Jacob was younger than David.
It is probable that shortly after this time David Tousley may have moved to Sandy Creek to live. But in 1830, Jan.1, he bought of Francis DePau and wife, by their attorney, Vincent LeRay, some land in the town of Orleans, which is in the north part of the county. This town was ~~xxi~~ divided in 1833 and the part where David T. was living ~~xxxxthen~~ became the town of Clayton. That his wife's brother also moved to this part of the county is evident from the fact that at the first town meeting held June 4, 1833, Jesse Noyes was made one of the assessors. There was much ship-building in this town and possibly David was employed in that work.

On Feb. 11, 1836, David Tousley transferred some land in Lot 77 of Penet's Square "originally granted to him by Letters Patent, 2 1/2 acres, to John Swarthout. This original grant is not not file in Albany.

Sept. 30, 1836 (Book X2-p.19) he and his wife Nancy sell to Solomon Gould, land in #77 of Penet's Square, " 46 acres," ..." the westerly part of 68 96/100 acres surveyed by Oliver Child, 12 Nov. 1830". He also sold 3 1/2 acres of the same tract to the Stewards of the Methodist Episcopal Church of Cape Vincent Circuit, " beginning at a ~~1st~~ hub in the centre of the Farmer Settlement road (so called) where the Lee Road (so called) crosses the same, and along the Horse Creek road." Thus he disposed of his New York state property and in the same year started "west", settling first in the vicinity of what is now Cincinnati. He moved to Indiana in 1839/40. He died in 1855, in Missouri, where he had gone with his eldest son Hiram to buy some land for the latter. David was taken ill and died on the boat on which they were returning home, of what was supposed to be cholera. He was only able to make his mark to his will, which he dictated to those present, making his son Luke his executor. His widow shortly afterward went to live with a married daughter in a county further north and later she married
+ Zenas Wright. She returned and visited among her children after Mr. Wright's death, and died in 1872, at

21. HEZEKIAH TOUSLEY, son of William (18) was born in Suffield, Conn. May 1, 1759. He moved, probably with his parents and the rest of the family, to Rupert, Bennington County, Vermont, previous to the American Revolution. His marriage and the name of his wife has not been found, but she was admitted to the church at Dorset, Vt. (near Rupert), Dec. 13, 1795, when her children were baptized. Hezekiah served in the Revolution, his name appearing five times on the Vt. rolls. Also in the "Landmarks of Oswego County" probably prepared at the dictation of his grandson Thomas J. Tousley, it states that Hezekiah T. was in the Revolution and that he "was an aid to General Washington and also was with Col. Ethan Allen at the taking of Ticonderoga." This is perfectly possible but has not been substantiated.

Hezekiah Tousley removed about 1807 to the town of Ellisburgh, Jefferson County, New York. With him also came his brother David and family, his son Thomas, wife and young family, and his cousin Reuben, son of Matthew Tousley. It is not thought that Matthew ever came and his name does not appear on the land records, infact he was a very old man at this time, if living.

Hezekiah owned real estate at or near Rupert, Vt. between 1780 and 1800. He bought land in the town of Ellisburgh; but the deeds do not seem to have been recorded. On the town records his "cattle mark" is given in 1808 as " a half penny cut under of the right ear and a slit in the same." He was also mentioned in 1810 and was called "Captain", whether because he had a right to the title or because he had been a soldier is not shown. Oct. 23, 1810 he gave a mortgage to William M. Bliss of Troy, N.Y. to secure payment of $131.25, on a parcel of land in Lot #6. He evidently could not pay on time and the property was sold at auction in Troy, June 1, 1813. According to the article in the "Landmarks of Oswego County" he died at the age of 88 years, which would make the year 1847. No record of it has been found nor his burial place. Nor has the name of his wife been found or any dates in regard to her.

43. Almira b. Aug. 4, 1800 Rupert, Vt.

The two last may not have been his children but have been given. Almira, by a descendant.

37. THOMAS TOUSLEY was born at Rupert, Vt. Nov. 9, 1779. It is probable...

that he married at Rupert or vicinity though no record of it has been found. Her name was Betsy, as is shown by the deeds in the County Clerk's office of Jefferson County. She appears with him as grantor in 1816 and in 1820. She had two children, according to descendants. She probably died soon after 1820, as Thomas married Clarissa Bemis about 1821 or 22. She was the daughter of Samuel Bemis,Sr., an early settler in the vicinity. Clarissa was born about 1803, as the record in the "Landmarks of Oswego County" says that she died in 1854 in her 52nd year. This would make her about twenty-four years younger than her husband. The compiler was told by a very old lady, his daughter Harriet, that her mother was much younger than her father. Unfortunately this dadghter had been an invalid for many years and when interviewed in 1923 could not remember details. She did not even know where her parents were interred.

Thomas was a farmer and bought considerable land in the town of Ellisburgh, near what is now called Wardwell's Settlement. He is said to have been a captain in the War of 1812 and to have participated in the battle of Sacket's Harbor. This could be ascertained from the archives in the office of the Secretary of State at Albany,N.Y.

Thomas suffered the loss of his wife in his old age, , as she died before him , in 1854, while he lived until 1858 and died at the age of 78. Both are supposed to have been buried in a small cemetery at Giddingsville, a small settlement near their home, but if they were there is nothing to show it now.

The Tousley – Towsley Genealogy.

(To the reader.)

It seems to me I have spent the greater part of my life in working on a true solution of the Tousley-Towsley problems. I have gathered a little here - a little there. I have found much to treasure and much to discard; Every branch seemed to have different traditions; some well-founded, others utterly erroneous; some still persisting to their familiar though false traditions although I have employed the assistance of well-known genealogists; have had the records searched and Census read in my endeavor to verify these facts, and am satisfied that this is as true a history as will ever be compiled of at least my own line of the Tousley family, and I have also given enough of some other lines to show the descendants where some of their errors occur.

I hereby attest this written document; signed

Sue Vesta Hanna
daughter of
Luke Tousley and wife
Susannah Tousley.

(1) Michael Towsley. (according to Savage, the historian.)

Salisbury, Mass, married Mary Hussey in 1678.
He was in the French and Indian War. They had a daughter Mary born March 17-1679 who died soon.
A second daughter of the same name was born Jan 12-1681
Michael is said to have removed to Suffield Conn in 1680. He evidently settled there between the dates of birth of his daughter Mary and Ann - see family record

The children of Michael (1) Tousley and Mary (Hussey) Tousley, his wife, married 1678, were:

2- Mary born March 17-1679, died young. Salisbury Mass
3- Mary born Jan 12-1681, died Nov 12-1694 Suffield, Conn.
4- Anne born July 12-1683. Suffield, Conn.
5- Michael born Jany 14, 1684 " "
6- Margaret born July 11, 1687 " "
7- Matthew born Nov 18, 1690 " "
8- John born Sept 17-1694 " "
9- Nathaniel born Feb 3-1696 " "

(A Nathaniel born previously, died Feb 8-1696 and the child born Feb 3-1696 was named Nathaniel in his stead.)

10- Joseph born Feb 3d 1696/7

A Michael Tousley died Nov 3-1712, Suffield records, A widow "Mary Tousley" married Jonathan Winchell in March 1713. Suffield Records.

(7.) Matthew Towsley, born Suffield Conn. Nov 18-1690
married Mary Smith, March 20-1710/11 (Suffield records)
Matthew died April 24-1739. His wife Mary died Aug 23-1773.
Their children were: —

11. Mary born Dec 24-1711.
12. Michael born Jan 2-1715/16
13. Margaret born May 13-1717
14. Matthew born Aug 31-.1722
15. Sarah born Oct 26-1724
16. Elizabeth born Aug 14-1727
17. Horcas born April 30-1729
18. William born Feb 5th 1731/2

All of the above from Suffield Conn records,

(18) William Towsley, born in Suffield Conn Feb 5th 1731/2
married at Suffield, Feb 25-1754 Sybil (spelled Sybbe)
Spencer, Children all recorded at Suffield were:

19. Mary, born Dec 30-1754.
20. David born May 22 1757.
21. Hezekiah born May 1-1759
22. William born Aug 4-1761
23. Thomas born Nov 9-1763. —

The above William Towsley (18) removed to Rupert Vermont and immediately thereafter reverted to the old-country spelling of the name viz: T-o-w-s-l-e-y — and so far as he and his descendants are concerned continued to use that spelling, and it is equally true that there are descendants of the other male lines of the family who are still using the "W," and still spelling the name

Towsley.

William Towsley (18) was in the Revolutionary War as were also his sons David (20), Hezekiah (21), and William (22). It is not known the exact date of their removal to Vermont but it must have been prior to the Revolutionary war as their service is from Rupert Vermont. ——

Rupert Vermont was settled before 1780 but the earliest recorded deeds are of that date, the earlier ones having been destroyed or carried away by a Tory clerk. There are some deeds older by about twelve years which were brought in and recorded at a later date. Between 1780 and up to 1811 the names of David, William, Thomas, Hezekiah and Matthew Towsley appear either as grantor or grantee. Between 1811 and 1820 appear Elihu, Abijah and Samuel. These latter ones were of Nathaniel Towsley and some of them went also to New York State about 1820. No wife signed a deed with a husband and there is no mention of relationship in any deed to help in a solution. The earliest deeds were from William Towsley, five of them, presumably to his children, as among them are one to his son David and one to Thomas. The first deed to him is in 1799. He must have bought land on settling but no record of such transactions exist. Presumably destroyed by Tories with other records.

The Towsleys settled in the eastern part of the town of Rupert, which was the part first settled, and which joins the first settled part of Dorset. But the major part of Rupert lies over the mountain to the west adjoining New York State. This Northeast corner of the town "on the other side of the mountain," was called the "East Parish," in the early days, and it was here that the major part of the Towsleys lived

In proving the death of our ancestor David in Jefferson Co New York we proved the death of another David of a later period in the "west Parish," this "David Towsley, born in 1810, a son of David Towsley born 1773 and grandson of Nathaniel Towsley born 1750, lived in the "West Parish." He married Laura Ann Norton and his descendants live in that locality at the ~~at the~~ present time. His father (David Towsley of 1773) is buried in North Rupert and did not come to Jefferson County, New York. His wife's name was Alice Warters. Nathaniel — here mentioned — was a son of Gideon Towsley who was first cousin of William Towsley (18). The Towsleys of the East Parish lived nearer the churches of Dorset, about two miles away from them; and Pawlet was between six and eight miles away. The old Congregational Church at Rupert was six or eight miles away "over the mountain" and the roads difficult and no doubt often impassible, so that church and other records were not always possible. The church and cemetery records of these two old churches are very incomplete and yield meagre assistance; The family names are continually repeated in the Towsley family from one generation to another, which makes the lineage difficult to trace. The farms of the various members of the family adjoined and were probably in some cases deeded to the sons by their father (William (18)) from the land which he first took up, but of which there is no record. There is no record of the death of William (18) and his wife Sybil. But as land was deeded to him in 1799 it is fair to surmise their deaths as of 1799 or 1800. In the census of 1790 the name William Towsley

appears as of Dorset town, with family of himself and one male under sixteen years of age and wife and daughter, That is "one white male 16 and upward; one white male under 16 and two white females". A William Tousley of Rupert also appears with some family which is probably William (18) and that of Dorset town probably that of his son William (22) who later went to New York State. —

The genealogists who assisted me at different times and in different states in perfecting my Tousley records as nearly as possible, were

Miss Grace Henson Wheeler,
Mrs Grace Lansing,
Mr Wm B. Brown and
Mr Harlan W. Jenks proved most of the Census. —

~~Later I have a note from Mr Harlan, W. Jenks, which says he believes the given name of William (18) Tousley's wife was Mary Spencer instead of Sybil. He gives some good statements and vital proofs in support of his opinion, and of course we all know there were some errors in Savage's work. ——~~

~~Of David Tousley Jr (20) more later, as that is our own line and I have less to add for the other two sons Hezekiah (21) and William (22) will finish with them first.~~

Hezekiah Tousley (21), Son of William Tousley (18) and his wife (8)

Sybil (Spencer) Tousley, — was born in Suffield Conn Jan 1st 1759. He removed, probably with his parents and the rest of the family to Rupert, Bennington County, Vermont previous to the American Revolution. His marriage and the home of his wife has not been found, but she was admitted to the Church at Dorset Vt (near Rupert) Dec 13-1795 when her children were baptized. Hezekiah Tousley served in the war of the Revolution. His name appearing five times on the Vt Rolls. Also in the "Landmarks of Oswego County", probably prepared at the dictation of his grandson Thomas J. Tousley, it states that "Hezekiah Tousley was in the Revolution and that he was an aid to General Washington, and also was with Col. Ethan Allen at the taking of Ticonderoga." Hezekiah Tousley removed about 1807 or earlier to the town of Ellisburgh Jefferson Co, New York. At the same time or nearly so, came his elder brother David (20) and family who was also in the War of the Revolution. Hezekiah's son Thomas, wife and young ~~family~~ and his Cousin Reuben son of Matthew Tousley.

Hezekiah owned real estate at or near Rupert Vermont, between 1780 and 1800. — He bought land in the Town of Ellisburgh, but the deeds do not seem to have been recorded. On the town records "his cattle mark" is given in 1808 as "a half-penny cut under of the right ear, and a slit in the same." He was also mentioned in 1810 and was called Captain, whether because he had a right to the title, or as a courtesy to a soldier is not shown. Oct 23, 1810 he gave a mortgage to William M. Bliss of Troy, N.Y. to secure payment of $131.25 on a parcel of land in Lot 6. The property was sold at Auction in Troy, June 1-1813. According to the article in "Landmarks of Oswego County" he died at the age of 88 yrs which would make the year 1847.

No record of it has been found nor his burial place. Nor has the name of his wife been found or any dates regarding her. Their children were

(The last two names are in doubt.)

The Townsleys were a fair haired race, with wonderful large deep Blue eyes. There seems not to have been any darker complexioned among the men, unless possibly hazel eyes and brown hair were sometimes introduced by their wives. The men were mostly short, stocky in build and inclined to bilious colic.

Mistakes occur among Genealogists as well as others. The lady who sent me the above said in one of her letters that at first she thought there was two Hegekiah Townsleys - father and son - I now believe the same. I feel that part of the above applies to the Sr and part to his son Hegekiah, for our one reliable source of information is the censors, and I had the censors for 1820 and 1830. That for 1820 gives. Town of Adams, Jefferson County, New York. 1 male 45 and upwards, 1 female 45 and up.

The Census of 1830 gives in Ellisburg Jefferson Co New York
Hegekiah Townsley 2 females 10 to 15 - 1 male 15 and under 20
1 female 15 to 20 - 1 male 20 and under 30
1 female 40 to 50 - 1 male 40 and under 50.

The Townsleys in Adams in 1820 were likely part of the latter Hegekiah

William Tousley Jr (22) son of William Tousley Sr and wife Sybil Spencer – was born at Suffield Conn Aug 4 – 1761. From the papers in the Revolutionary War pension claim W. 22433 it appears that William Tousley enlisted and was in the battles of Bennington and Saratoga, under Captain Galusha of Shaftsbury, Vermont and was wounded in the right arm at the battle of Saratoga, no further details of this service given. He enlisted at Bennington, Vermont, March 1 – 1779 in Captain Wait Hopkins Company in Colonel Warner's Regiment and served until May 1st 1780. He enlisted March 1st 1781 and served until late in November 1781 as a drummer in Captain James Blakesley's Company in Colonel Samuel Fletcher's Vermont Regiment. He was allowed pension on his application executed April 25 1818, at which time he was fifty-seven years of age and was a resident of Sweden, Genessee, County, New York. He died Aug 18, 1827 in Clarendon, Orleans County New York. He married Oct 6, 1787 in Rupert, Bennington Co. Vermont Sally or Sarah Reed, who was born August 15, 1767. She was allowed pension on her application executed January 22, 1839, at which time she was a resident of Clarendon, New York. They had sixteen children eleven of whom were alive in 1839, only the following names are given: Jardius; – Orsan, aged forty-three years in 1844; Sally aged 41 in 1844, who married in 1821 (name of this husband not given) and again married in 1829 Mr Cook; — Valentine aged fifteen years in 1821; Jerusha aged thirteen years in 1821; Lucy aged eleven years in 1821, who married Merrick Stevens.
